What is a Direct Debit?

A simple, safe and convenient banking service which enables you to authorise your Bank or Building Society to settle your accounts as and when they fall due.

Direct Debiting . . . a modern and simple way to pay

Invitation to pay by direct debit

Direct Debiting is a simple, inexpensive and convenient way of paying all kinds of bills. Wealden Leisure Ltd (on behalf of Olympos Marlins) invites you to sign an instruction to your Bank/Building Society authorising them to pay various amounts from your account at our request. This means that there will be no need for us to trouble you to sign a fresh authority whenever the amount changes, although you will receive advice of the amounts due on your bill/statement each year. No payments will be taken until you have been given 10 days notice of the amounts and due dates, or as otherwise agreed. Please see the guarantees set out overleaf.

By using Direct Debit you can pay for your Olympos Marlins swim fees in monthly instalments, and your annual membership annually in October. By filling in the instruction form, you are authorising your Bank/Building Society to pay Wealden Leisure Ltd the swim fees due to Olympos Marlins monthly and their annual membership annually.

When will your account be debited?

The first monthly Direct Debit membership fee will be debited from your account within the following two months depending on when you commence direct debit. Subsequent monthly swim fees will be debited from your account on the 23rd of each month (or the next working day after the 23rd).
